

B-BBEE Scorecard

Key Metrics

How organisations are measured under the B-BBEE Codes of Good Practice.

= PRIORITY ELEMENT

▲ OWNERSHIP

25 points

Measures black ownership, voting rights, and economic interest.

▲ MANAGEMENT CONTROL

19 points

Measures representation across board, executive, and management levels.

▲ SKILLS DEVELOPMENT

+5 potential bonus points

20 points

Measures investment in training and development of black people.

40 points

+4 potential bonus points

▲ ENTERPRISE & SUPPLIER DEVELOPMENT

42%, emphasising procurement from empowered suppliers and development contributions.

▲ SOCIO-ECONOMIC DEVELOPMENT

5 points

Measures contributions to qualifying community initiatives.

B-BBEE scorecard optimisation is not just about the numbers. It involves a strategic assessment of which elements a business can implement most effectively and which will deliver the strongest compliance and business outcomes.

COMPLIANCE DONE RIGHT.
TRANSFORMATION DONE RIGHT.
